3. GENERAL INTRODUCTORY TERMS

3.1 All Rights of Operation Reserved

3.1.1 The Company reserves the right to furnish all equipment, supplies, and material and to perform all services in connection with the operation of the Terminal under the terms and conditions and at the rates contained herein.

3.2 Tariff Effective Date

3.2.1 This Tariff is effective as of April 1, 2022.

3.2.2 In the event that a provision or any part of a provision of this Tariff is updated or revised, the whole chapter shall be replaced. The revised chapter or supplement shall apply to all Traffic and Cargo on or after the effective date as shown on each page of the relevant chapter of this Tariff.

3.3 Rates Subject to Change

3.3.1 The rates provided in this Tariff, and revisions or supplements thereto, are based upon ordinary levels of Traffic and Cargo arriving at and leaving the Terminal and ordinary labour conditions at the Terminal. If the levels of Traffic or the levels of Cargo or labour conditions change because of causes not reasonably within the control of the Company, which result in increased cost of service, the rates are subject to change without notice unless otherwise agreed.

3.4 Performance of Services Under Tariff

3.4.1 All Vessel Services, Cargo Services and other services provided under this Tariff are provided at the sole discretion of the Company. The Company retains the right to refuse to provide any service or services under this Tariff.

3.4.2 All Vessel Services, Cargo Services and other services provided under this Tariff are performed subject to the availability of Company resources.

3.4.3 The provision of labour under this Tariff is subject to, and governed by, the Collective Agreement.

TARIFF

4. GENERAL TERMS REGARDING CHARGES

4.1 Charges

4.1.1 The charges and rates contained in this Tariff are exclusive of Goods & Services Tax (“G.S.T.”) and any similar taxes implemented by government.

4.1.2 All charges are payable to the Company at the address shown on the invoice.

4.1.3 Except as otherwise indicated, all charges are to the account of the Cargo Owner and are due and payable as soon as they are invoiced by the Company.

4.2 Overtime

4.2.1 Where the Company provides services that require the labour force provided by or arranged by the Company to work Overtime, the party requesting the services shall be required to pay to the Company the Straight Time costs and the Overtime Differential for all labour and supervision according to the applicable Manhour Rates.

4.3 Standby or Waiting Times

4.3.1 A Standby Charge at the applicable Manhour Rates will be charged to the Vessel Owner, Cargo Owner, Shipper or Inland Carrier at the discretion of the Company where workers are provided for a specific time and are ready to work or have started to work, but are for any reason delayed or the work is cancelled. Any such Standby Charge is subject to the minimum hours in section 4.4 below.

4.4 Minimum Number of Hours

4.4.1 Where the Company furnishes or arranges for labour in connection with loading or discharging a Vessel, and the loading or discharging is completed before the expiration of the minimum time defined in a Collective Agreement, the labour shall be charged at the Manhour Rates for that minimum time to the Vessel Owner.

4.4.2 Where the Company furnishes labour for work not connected with loading or discharging a Vessel, and the work is completed before the expiration of the minimum time defined in a Collective Agreement, the labour shall be charged at the Manhour Rates for that minimum time to the Inland Carrier or Cargo Owner as determined by the Company.

4.5 Invoicing

4.5.1 The Company shall invoice all charges under this Tariff, except warehousing charges, as soon as possible after the provision of the service.

TARIFF

4.5.2 Warehousing charges, if any, will be invoiced on the last day of the calendar month.

4.6 Payment of Charges

4.6.1 Where any charges prescribed by this Tariff are owing in respect of any Cargo, the Company may, at its discretion, direct that the Cargo shall not be removed from the Terminal until the charges have been paid or arrangements for payment have been made with the Company.

4.6.2 All invoices rendered by the Company are due upon presentation unless otherwise agreed in writing. The Company may grant credit at its sole discretion. Where credit has been approved, the charges payable under this Tariff are payable within fifteen (15) days from the date of the invoice. Any invoice not paid within fifteen (15) days shall be subject to an interest charge of twenty-four (24%) per cent per annum, two (2%) per cent per month. Past due accounts are further subject to the cancellation of credit without notice and third party collection action.

4.6.3 Notwithstanding the grant of credit, or any other term of this Tariff, the Company reserves the right to require payment of charges or the Company's estimate of charges, in advance, as follows:

- i. By the Vessel Owner before the Vessel commences its loading or unloading operations;
- ii. By the Cargo Owner, before the Cargo leaves the custody of the Company.

4.7 Charges for Services Not Specified

4.7.1 Unless otherwise provided, Manhour Rates and Equipment Rental Rates will be charged for services not specifically described in this Tariff.

4.8 Minimum Billing Charge

4.8.1 All invoices issued by the Company for services provided under this Tariff shall be subject to a minimum billing charge of \$25.00 per invoice.

4.9 Right to Withhold Delivery of Freight

4.9.1 The Company reserves the right to withhold delivery of Cargo until all accrued charges, including charges accrued outside of this Tariff, owing to the Company on account of the Cargo have been paid in full.

4.10 Right to Sell for Unpaid Charges

4.10.1 Cargo on which overdue charges have accrued may be sold to satisfy charges and costs

TARIFF

provided that the Owner has been given written notice demanding payment and that it remove the Cargo but the Owner has neglected or failed to comply.

4.11 Charter Party Agreement, Sales Contract

4.11.1 The existence of any agreement in connection with a charter party, sales contract, or otherwise, which purports to relieve a Vessel, or the Vessel Owner, of any charge properly assessable against it under this Tariff, will not relieve the Vessel or its Owner from liability for the payment of such charge.

TARIFF

5. VESSEL SERVICES

5.1 Request for Vessel Services

5.1.1 The Vessel Owner shall notify the Company when the Vessel will be arriving at the Terminal and requiring Vessel Services and Cargo Services.

5.1.2 Berthing and Vessel Services are subject to availability of berth space and Company resources and the amount of Traffic and is at the sole discretion of the Company.

5.2 Berthage

5.2.1 The Company will charge Berthage in respect of a Vessel that occupies a berth or is fast to or tied up alongside any other Vessel occupying a berth at the Terminal.

5.2.2 Berthage will be charged on each Vessel commencing from the time when the first line is made fast and will terminate when the last line is cast off.

5.2.3 The Owner of the Vessel shall pay the Berthage.

5.2.4 Berthage shall be based upon the Vessel's overall length as determined by the Company.

5.2.5 Berthage for Coastwise Carriers as defined in the Collective Agreement will be calculated and charged at \$0.22 per metre for each hour, or portion thereof, that the Coastwise Carrier is in berth except that the minimum Berthage is \$159.00

5.2.6 Berthage for Vessels not otherwise specified will be charged \$5.89 per metre for each eight (8) consecutive hours or part thereof.

5.2.6.1 When any fraction of an eight (8) hour period remaining at the end of one or more eight (8) hour periods does not exceed four (4) hours, the rate for such fraction shall be \$0.75 per metre for each hour, or portion thereof.

5.2.7 On all days defined as non-working days in the Collective Agreement between the ILWU and the BCMEA (ie. Labour Day, Christmas Day and New Year's Day), the rate shall be \$2.98 per metre for each eight (8) consecutive hours or fraction thereof, except that when any fraction on an eight (8) hour period occurring either before or at the end of one of more eight (8) hour periods does

TARIFF

not exceed four (4) hours, the rate for such fraction shall be \$0.42 per meter per hour or portion thereof. The minimum Berthage charge is \$829.00.

5.3 Berthing Policy

5.3.1 Vessels will be allocated berths on a first come/first serve basis subject to operational factors, which may dictate that a vessel load or discharge at a specific berth, at the Terminal.

5.3.2 The principle ‘first come/first serve’ may not apply where either:

5.3.2.1 the vessel agents/principals reach agreement amongst themselves; or

5.3.2.2 notice of a vessel arrival time change, to the Terminal, is less than 24 hours before the scheduled arrival of another vessel; based on the most current schedule on record provided by the vessels’ agents/principals.

5.3.3 Special consideration may be given to vessels restricted to working at a particular berth.

5.3.4 During normal times, the vessel’s working programs, subject to labour and equipment availability, will be at the vessel’s discretion. During peak periods of congestion, where there may be a conflict between vessels for berths, those vessels occupying the berths may be required to work to their fullest capabilities at the vessel’s cost, to clear the berth at the earliest possible opportunity and minimize the delay to the waiting vessel. Failing this, the ship will be required to vacate the berth to permit a waiting vessel willing to work all available shifts the opportunity to commence loading or discharging.

5.3.5 The Terminal reserves the right to ensure an equitable treatment for all carriers and the quickest dispatch of vessels to the trade in general. At all times the berth allocation will be at the discretion of the Terminal. The Terminal reserves the right to vary the berthing rotation or order the removal of any vessel(s) from any berth(s).

5.4 Handling of Vessel’s Lines - Vessel Tie Up/Let Go

5.4.1 Rates charged to the Vessel Owner for the service of tying up and letting go of a Vessel’s lines will be as follows:

TARIFF

	TYING UP	LETTING GO
0800 to 1630 Monday to Friday inclusive	\$2,124.00	\$1,418.00
1630 to 0100 Monday to Friday inclusive	\$2,635.00	\$1,759.00
0100 to 0800 Monday to Friday inclusive	\$3,218.00	\$2,147.00
0800 to 1630 Saturday	\$2,674.00	\$1,785.00
1630 to 0100 & 0100 to 0800		
Saturday & Sunday (All Day)	\$3,304.00	\$2,205.00
Recognised Holidays at Anytime	\$4,092.00	\$2,730.00

5.4.2 The above rates are computed on a four (4) hour basis. Should any line call go beyond a four (4) hour call, such time in excess of four (4) hours shall be charged on the basis of 25% of the above charge for each hour or part thereof.

5.4.3 When more than one Vessel is tied up or let go by the same gang within the four (4) hour period, a thirty (30%) percent reduction will be allowed for each Vessel.

5.4.4 The charges are based on actual hours paid to lines crew. When a lines call straddles a shift change, the applicable charge shall be determined by adding the pro-rata rate in effect for the initial shift with the pro-rata rate in effect for the subsequent shift.

5.4.5 Charges for handling Vessel lines shall be paid by the Vessel Owner.

5.5 Labour and Equipment Rates

5.5.1 Labour and equipment used for the provision of Vessel Services shall be charged at the applicable Manhour Rates and Equipment Rental Rates.

5.6 Mobile Gangway

5.6.1 The use or rental of the Company's mobile gangway shall be charged at \$100.00 per eight (8) consecutive hours or part thereof.

5.7 Fresh Water Charges

5.7.1 The supply of fresh water to a Vessel shall be charged by the Company to the Vessel at the following rates during Straight Time:

- i. \$171.17 for service and hook-up (including thirty (30) metres (100 feet) of hose);
- ii. \$34.70 for every additional fifteen (15) metre (50 feet) section of

TARIFF

- iii. additional hose; and
\$6.07 per one thousand (1000) kilograms (2204.6 pounds) of water supplied.

5.7.2 Additional charges at the applicable Manhour Rates and Equipment Rental Rates shall apply to service and hook-up provided outside of Straight Time.

5.8 Stevedoring Access Fee (SAF)

This fee is applicable to all Cargo and/or equipment for which stevedoring services will be provided by any other non-affiliated stevedoring company. The SAF, at rates detailed below, is applicable and is payable by the Customer (Carrier or Cargo Owner) that is responsible for hiring and paying for the cost of stevedoring the Cargo.

The Customer who is responsible for hiring and paying a non-affiliated stevedoring company acknowledges and guarantees that such other stevedoring company is their invitee and is subject to the terms, details and conditions of this Tariff.

Steel Commodities	\$2.50 per Metric Tonne
Woodpulp	\$1.50 per Metric Tonne
Other Non-Specified	\$5.00 per Metric Tonne

5.9 Port Security Fee

5.9.1 If Transport Canada, or some other duly authorized body, agency or government, raises the MARSEC level above MARSEC level (1), for the period that the MARSEC level is above MARSEC level (1), the Company may assess and charge a port security fee against Vessels as additional security costs associated with the increase in the MARSEC level. Such fee shall be in addition to all other fees and charges due under this Tariff and shall be paid by the Vessel Owner.

5.9.2 In the event of such an assessment, the minimum port security fee shall be \$25.00 per Vessel per hour or part thereof.

5.10 B.C. Maritime Employers Association Cargo Assessment

5.10.1 The Company shall collect from the Vessel Owner and remit to the B.C.

TARIFF

Maritime Employers Association all amounts assessable and payable by the Cargo Owner in relation to the applicable Cargo Assessment pursuant to the Schedule of Assessments published by the B.C. Maritime Employers Association as amended from time to time.

6 CARGO SERVICES

6.1 Request for Cargo Services

6.1.1 The provision of Cargo Services is subject to availability of Company resources and the amount of Traffic and is at the sole discretion of the Company.

6.2 Right to Refuse Cargo

6.2.1 The Company reserves the right without responsibility for demurrage, loss, or damage to Cargo to refuse to receive, or unload or permit an Inland Carrier to unload or a Vessel to discharge Cargo:

- a) for which previous arrangements for space, unloading, or removal from the Terminal have not been made by the Shipper or Vessel Owner;
- b) deemed by the Company to be offensive, perishable or hazardous;
- c) the value of which may be determined to be less than the probable charges for Vessel Services or Cargo Services;
- d) that is deemed by the Company to not be suitably packed or presented for the ordinary handling incident to its transportation. Such Cargo, however, may be repacked or reconditioned and all expense, loss, or damage incident thereto shall be to the account of the Shipper or Vessel Owner; or
- e) in circumstances which in the opinion of the Company will prevent the Company from providing usual care and custody.

6.3 Cargo Services Generally

6.3.1 Subject to prior agreement, the Company shall provide all Cargo Services, which includes all matters under this Tariff, from the receipt of Cargo to the delivery of Cargo.

6.3.2 Any additional, extra or special services require express agreement between the Shipper and the Company.

TARIFF

6.3.3 Any notifications required under this chapter regarding the receipt, delivery, movement or loading of Cargo must be by the Shipper. Notification from any other party other than the Shipper will not be accepted. The Shipper shall provide such notification in writing by email or facsimile.

6.4 Deemed Receipt or Delivery of Cargo

6.4.1 Cargo sent to the Terminal for loading on to a Vessel or an Inland Carrier will be deemed to have been received by the Company only when the Company has acknowledged in writing to the Shipper or the Vessel Owner that the Cargo has arrived at the Terminal, that the Cargo has been checked for quality and quantity and that the Company has accepted the Cargo for transfer to a Vessel, for transfer to an Inland Carrier or for storage by the Company pending transfer to a Vessel or transfer to an Inland Carrier as the case may be.

6.4.2 Until the Company has acknowledged receipt of the Cargo, the Cargo will be deemed to be in transit and the Company will not be responsible for the Cargo in any way or liable for any loss, damage to, or destruction of the Cargo.

6.4.3 Cargo will be deemed to have been delivered by the Company to a Vessel or an Inland Carrier as the case may be in good order unless the Vessel Owner or the Shipper gives notice to the Company in writing in a form approved by the Company that the Cargo is not in good order before the Cargo leaves the Terminal.

6.4.4 In the event of any claim made against the Company for loss or damage to or destruction of Cargo, the Company will, notwithstanding the provisions of paragraphs 6.3.1 through to and including 6.3.3, have the benefit of the provisions of this Tariff by which the liability of the Company is excluded or limited.

6.5 Cargo Services Charges

6.5.1 Labour and equipment used for the provision of Cargo Services shall be charged at the applicable Manhour Rates and Equipment Rental Rates.

6.6 Storage Charges

6.6.1 In the absence of any other agreement, the Company shall charge the Shipper a storage charge for any Cargo stored at the Terminal. The charge shall be at the following rate:

Per Tonne per day	\$1.00
-------------------	--------

TARIFF

6.7 Information to be Supplied to the Company – Receiving Cargo

6.7.1 The Shipper or the Vessel Owner must provide the following information in writing in respect of Cargo sent to the Terminal:

- i. Identity and contact information of the Shipper;
- ii. Cargo description including identifying marks and numbers;
- iii. Cargo weights and measurements by unit and in total;
- iv. Cargo quantity;
- v. Special handling instructions for Cargo;
- vi. Cargo destination;
- vii. Cargo carrier identity and contact information.

6.7.2 The information required under paragraph 6.7 must be received by the Company within a minimum of three (3) working days prior to the arrival at the Terminal of the Inland Carrier or the Vessel.

6.7.3 Where information set out in 6.7 is not provided to the Company within the time specified in 6.7.2, and as a result the Company incurs additional expense in dealing with the Cargo, including but not limited to charges for the preparation of Cargo documentation, the Shipper or the Vessel Owner will pay such costs.

6.7.4 Despite 6.7.3, the Company may in its discretion refuse to receive Cargo if the information required under paragraph 6.7 is not provided within the time set in paragraph 6.7.2.

6.8 Right to Remove, Transfer, or Warehouse Cargo

6.8.1 The Company may require that the Cargo Owner remove Cargo from the Terminal forthwith after giving written notice to the Cargo Owner.

6.8.2 Cargo at the Terminal may be piled or restacked to make space, transferred to other locations or receptacles within the Terminal, or after providing the Cargo Owner with reasonable written notice, may be removed to public or private warehouses, with all expense and risk of loss or damage to the account of the Cargo Owner or Vessel Owner, as applicable.

6.8.3 Hazardous or offensive Cargo which, by its nature, is liable to damage or otherwise affect other Cargo, is subject to immediate removal from the Terminal or to be moved to another location within the Terminal, with all expense and risk of loss or damage to the account of the Cargo Owner or the Vessel Owner, as applicable.

6.9 Handling and Storage of Cargo

6.9.1 The Vessel Owner, Inland Carrier or Cargo Owner, as applicable, shall provide the Company with written notification of any special handling requirements of any Cargo. Such notice shall be provided within a reasonable period prior to receipt by the Company of the Cargo. Special handling shall be charged at the applicable Manhour Rates and Equipment Rental Rates.

6.10 Distribution of Cargo

6.10.1 The distribution of Cargo will be at the discretion of the Company. The Company shall not be liable for any loss or damage caused, or contributed to, by this distribution of Cargo.

6.11 Sorting

6.11.1 Unless otherwise agreed by the Company, labour and equipment required to sort Cargo shall be charged to the Shipper or Vessel Owner, at the Company's discretion and at the applicable Manhour Rates and Equipment Rental Rates.

6.12 Trucks and Railway Cars

6.12.1 Blocking and bracing of trucks and railway cars must be specifically requested in writing. Labour and dunnage supplied or arranged by the Company will be charged to the party requesting the blocking and bracing.

6.12.2 The Shipper will ensure the adequacy of stowage of Cargo upon loading of trucks or railway cars. The Company takes no responsibility for the adequacy of the stowage of Cargo and is not in any way liable for loss or damage to or destruction of Cargo, howsoever caused, after completion of loading.

6.13 Demurrage – Inland Carriers or Vessels

6.13.1 The Company does not accept and is not responsible for any demurrage charged by any party, on either Inland Carriers or Vessels.

7.4 General Commodity Rates

- 7.4.1 Terminal Handling Charges for Export Forest Products refer to charges for the receipt and delivery of export forest products to alongside vessel.
- 7.4.2 Terminal Handling Charges on Packaged Lumber are based on lumber packages conforming to the BC Export Packaging Schedule.
- 7.4.3 Terminal Handling Charges for Steel Products refer to charges for the receipt and delivery of steel products and include Squamish Terminals wharfage charge.
- 7.4.4 Cargo will be accepted for undercover storage subject to space availability and a premium will be applicable. Requests for space must be made in writing in advance of cargo arrival and acceptance confirmed with a written response from Squamish Terminals.
- 7.4.5 Cargo will be sorted by ocean bill of lading when terminal space allows. Bills of lading under 25 M/T will incur a surcharge and may have to be consolidated with other bills of lading and delivered the same – ie. block stowed with other similar cargoes.
- 7.4.6 If the cargo identification information (ie. mark, lot, PO #) is not provided prior to the vessel's discharge and is not clearly marked on the cargo (ie. end tags for pipe) the party responsible for payment of terminal charges may incur additional handling charges.
- 7.4.7 Steel cargoes ie. bundled pipe arriving to terminal in unsafe stacking / handling condition ie. broken or missing bands will be re-banded to safety handling guidelines at the customers expense.
- 7.4.8 Motor carriers are responsible for the supply of sufficient loading materials and are responsible for the securing of cargo to their trailers.
- 7.4.9 Squamish Terminals reserves the right to re-handle, block-stow or remove cargo from Squamish Terminals after the expiry of free time after vessel discharge completion and these charges will be for the account of the party protecting the terminal charges.
- 7.4.10 All other terms and conditions apply as per the Squamish Terminals Tariff as updated periodically.
- 7.4.11 Squamish Terminals accepts no responsibility for any loss or damage occurring as a result of deterioration of goods or breaking of bands on goods which remain on property after expiry of free time.
- 7.4.12 Unless an express agreement has been reached with Squamish Terminals, storage charges will not be transferable and will be payable by the party responsible for the terminal handling charges.
- 7.4.13 Canada Shipping Act requires all export cargo to be labelled with accurate weights and omission to adhere to this policy may lead to the refusal of loading said cargo.
- 7.4.14 One two digit gross/theoretical weight is required (ie. 3.9 MT.)
- 7.4.15 Terminal charge rates for steel will be applied to Theoretical or Gross Weights, whichever is greater.

TARIFF

- 7.4.16 Goods of Extraordinary Value – for cargo items of extraordinary value we reserve the right to apply a surcharge or a premium rate that may be higher than what is outlined in our Terminal Services Tariff. Application of a surcharge or premium rate will be determined on a case by case basis.
- 7.4.17 Export Cargo – Shippers are responsible for the following:
- 7.4.17.1 Ensuring accurate cargo weights and dimensions.
 - 7.4.17.2 Ensuring that cargo is marked with plainly visible weight, dimension, centre of gravity, vessel and destination.
 - 7.4.17.3 Providing the terminal with pictures and/or diagrams depicting lifting points, any special lifting requirements and any abnormalities such as an off-centre Centre of Gravity that may affect the safe handling of the cargo. These details must be received by the Terminal in advance of delivery to ensure proper preplanning of cargo handling can take place.
 - 7.4.17.4 Shippers/truckers transporting cargo to the terminal for export must provide dock receipts with cargo destination and accurate piece counts, weights and dimensions per piece.
- 7.4.18 The following rates are based on normal handling and do not include any service or charge involving the use of special equipment or the special handling of goods.

8. LIMITATION AND EXCLUSIONS FROM LIABILITY

8.1 Requirements for Liability

8.1.1 It is an express condition of the performance by the Company of the services referred to in this Tariff that the Company shall not be liable for any loss or damage to or destruction of Cargo, Vessels, Inland Carriers or any other property whatsoever and the Company shall not be liable for any injury to person or death caused by such injuries occurring in, on or about the Terminal, unless in each and every case:

- i. the loss, destruction or damage occurred directly and solely as a result of the proven gross negligence or wilful misconduct of the Company or an officer or employee of the Company acting within the scope of their duties and employment;
- ii. within thirty (30) days after the Cargo was removed or should have been removed from the Terminal, written notice is given to the Company; and
- iii. legal proceedings to enforce a claim for such loss, destruction or damage are commenced against the Company within one year following the incident alleged to have caused the delay, loss, destruction or damage.

8.1.2 Despite the limitation provided in paragraph 8.1.1 any potential liability of the Company shall be subject to the terms of this Tariff.

8.1.3 It is an express condition of the performance by the Company of the services referred to in this Tariff that in no event will the Company be liable for indirect or consequential damage or loss, including but not limited to any economic loss, loss of profit or bargain, or for any indirect or consequential damages or loss

TARIFF

whatsoever, whether or not caused by or arising from the gross negligence or wilful misconduct of the Company.

8.2 Exclusion from Liability

8.2.1 Without limiting the generality of paragraphs 8.1.1, 8.1.2 and 8.1.3, it is an express condition of the performance by the Company of the services referred to in this Tariff that the Company, and its directors, officers, employees and agents, shall not be liable for loss, damage to, destruction or disappearance of Cargo, Vessels or Inland Carriers due to:

- i. any delay in loading, unloading, receiving, delivering or handling of any Cargo or any damage (concealed or otherwise);
- ii. animals, insects, rodents or vermin;
- iii. decay, deterioration, evaporation, shrinkage or loss of quantity, quality, or value from inherent vice of product;
- iv. fire, frost, leakage or discharge from fire protective sprinklers, oxidation or rusting;
- v. civil disorder, insurrection, riot, strike or labour stoppage whether or not agents or the employees of the Company are involved;
- vi. delay caused by a shortage of qualified labour;
- vii. damage or loss which results from a change in the MARSEC level;

except to the extent that any of the previously mentioned loss, damage or destruction resulting solely from the gross negligence or wilful misconduct of the Company, its employees, or agents.

8.3 Limitation of Liability

8.3.1 If the Company is in any event determined to be liable for any occurrence of the matters listed in 8.2.1, unless the nature and value of the Cargo is declared in writing to the Company at or before the time the Cargo is received on the Terminal, such liability shall be limited to the lesser of:

- i. the landed cost of the Cargo (invoiced cost as paid to the supplier, plus freight, insurance, and duty paid and not refundable); or
- ii. five hundred (\$500.00) dollars per package or per customary freight unit.

8.4 Indemnification

8.4.1 It is an express condition of the performance by the Company of the services referred to in this Tariff that the Company, its directors, officers, employees and agents shall be held harmless and indemnified by all users of the Terminal, whether directly liable for charges under this Tariff or not, for any damage, loss,

TARIFF

environmental damage, environmental cleanup costs or legal expenses, directly or indirectly caused by the user of the Terminal, for any reason whatsoever.

8.5 Release

8.5.1 It is an express condition of the performance by the Company of the services referred to in this Tariff that the Company, its directors, officers, employees and agents shall be released from any claims arising out of the conduct or actions of any users of the Terminal, whether directly liable for charges under this Tariff or not, for any damage, loss, environmental damage, environmental cleanup costs or legal expenses, directly or indirectly caused by the user of the Terminal, for any reason whatsoever.

8.6 Insurance

8.6.1 It is an express condition of the performance by the Company of the services referred to in this Tariff that the Cargo Owner and the Shipper maintain adequate insurance providing for coverage sufficient to indemnify the Company for any loss or damage in relation to any Cargo subject to this Tariff.

8.7 Limitation of Liability to Benefit Employees and Agents

8.7.1 It is an express condition of the performance by the Company of the services referred to in this Tariff that every exemption from liability, limitation and condition contained in this Tariff for the benefit of the Company and every defence and immunity of whatsoever nature applicable to the Company or to which the Company is entitled under the Tariff will also be available and will extend to protect every director, officer, employee and agent of the Company and, for the purpose of all such provisions and this paragraph, the Company is and will be deemed to be acting as agent and trustee on behalf of and for the benefit of all such directors, officers, employees and agents.

8.8 Burden of Proof

8.8.1 It is an express condition of the performance by the Company of the services referred to in this Tariff that, in any legal or other proceeding in which destruction, damage, loss or disappearance of the Cargo is in issue, the burden of proving the fact of such destruction, damage, loss or disappearance, the cause thereof, and the responsibility therefore, will lie always with the claimant; the Company, its officers and employees being at all times presumed to have

TARIFF

exercised due care in the custody and handling of the Cargo until the contrary is specifically proved by evidence.

8.9 **No Right of Deduction or Set-Off**

8.9.1 Notwithstanding any liability or alleged liability of the Company under this Tariff or otherwise, the Owner or any other party responsible for charges under this Tariff, shall not be entitled by reason of any such liability or alleged liability to any deduction from, reduction of, set-off against or waiver of any charges payable to the Company, all of which shall be paid in full as and when due.

8.10 **Owner's Risk**

8.10.1 Cargo that by its inherent nature is subject to deterioration, shrinkage, oxidation, wastage, decay or any glass, liquids, and fragile articles will be accepted by the Company only at the Owner's risk for rust, tarnish, discolouration, breakage, leakage, chafing, and similar loss or damage that may occur despite accepted practices for the care of Cargo.

8.10.2 All Inland Carriers, watercraft, timber and log or lumber rafts, if and when permitted by the Company to be moored in slip, at mooring dolphins, at wharves, or alongside vessels, are at the Owner's risk for loss or damage.

8.10.3 Every Vessel, float, derrick, pile driver or section of logs or part thereof that is moored or berthed at or adjacent to the Terminal or in the process of arriving or departing therefrom shall be at the sole risk of the Owner.

8.10.4 All trucks, railcars, rail locomotive vehicles coming on to the Terminal do so at the sole risk of the Owner and the Owners of the vehicles.

8.11 **Exclusions, Exemptions and Limitations in Bills of Lading Applicable**

8.11.1 It is an express condition of the performance by the Company of the services referred to in this Tariff that the Company, its officers, employees and agents shall in addition be entitled to the same rights, immunities, exceptions, exemptions, restrictions and limitations of liability provisions of all contracts of affreightment as are set out in the Owner's favour in any Bill of Lading or similar shipping document relating to the Cargo in question.

8.11.2 It is an express condition of the performance by the Company of the services referred to in this Tariff that the Vessel Owner will include the Company or arrange to have it included as an express beneficiary, to the extent of the services to be performed hereunder, of all rights, immunities and limitation of liability provisions of all contracts of affreightment, as evidenced by the Vessel Owner's

TARIFF

or any other Owner's standard Bills of Lading, issued by the Vessel Owner or any other Owner. Whenever the customary rights, immunities or liability limitations are waived or omitted by the Vessel Owner, the Vessel Owner agrees to hold the Company harmless from, and indemnify it against, any resultant increase in liability.

8.11.3 It is an express condition of the performance by the Company of the services referred to in this Tariff that in the event the Ocean Carrier is not the carrier of the Cargo to be handled by the Company, the Vessel Owner expressly agrees that all rights, immunities and liability limitations contained in the involved carrier's applicable Bill of Lading shall endure to the benefit of the Company. The Vessel Owner agrees that in no event shall the Company have any liability in excess of that of the carrier respecting loss or damage of Cargo and agrees to hold the Company harmless from and indemnify it against any liability incurred by the Company in excess of that of the carrier respecting loss or damage to Cargo.

8.12 Charter Party Agreements, Sales Contract, etc.

8.12.1 The existence of any agreement in connection with a charter party, sales contract, or otherwise, which purports to relieve a Vessel, the Vessel Owner or agent of any charges properly assessable against same, shall not relieve the Vessel, the Vessel Owner or agent from liability for the payment of such charge under this Tariff.

8.13 Exclusions, Exemptions and Limitations are Cumulative

8.13.1 The exclusions, exemptions and limitations of liability set forth in or referred to in this Tariff are cumulative and are in addition to and not in substitution for or in limitation of any other clauses excluding, exempting or limiting liability as set forth in this Tariff or any exclusions, exemptions or limitations of liability upon which the Company may rely at law or in equity.

9 DISPUTE RESOLUTION

9.1 Dispute under Tariff

9.1.1 Any dispute arising out of the operation of, or the services provided under, this Tariff, shall be resolved using the dispute resolution procedure contained herein.

9.2 Procedure on Dispute

9.2.1 All disputes arising under this Agreement which are not resolved by the Company and the Vessel Owner, Inland Carrier, Cargo Owner and Shipper as applicable will be determined in accordance with paragraph 9.3.1 herein.

TARIFF

TERMS OF GENERAL EFFECT

9.3 Governing Law

9.3.1 This Tariff and any services performed hereunder will be governed exclusively by the laws of British Columbia and the applicable federal laws of Canada and specifically excludes any conflict of law rules of British Columbia that would apply a different body of law. Any legal proceeding or action relating in any way to this Tariff must be brought in the Courts in British Columbia.

9.4 Force Majeure

9.4.1 The Company is not responsible for any delay or failure in performance resulting from causes beyond the control of the Company. The Company shall use commercially reasonable efforts to mitigate such delay or failure.

9.5 English Language

9.5.1 This Tariff, and ancillary documents, will be drafted exclusively in the English language. All notices or other communications under this Tariff must be in English.

9.6 Canadian Currency

9.6.1 Unless otherwise specified any reference to money in this Tariff is to Canadian currency.

9.6.2 All payments to the Company must be in Canadian currency.

9.7 Taxes

9.7.1 All rates and charges under this Tariff are exclusive of G.S.T. and any similar taxes implemented by government.

9.7.2 All payments to the Company will include payment to the Company of all G.S.T. for goods and services supplied by the Company and any other taxes implemented by government or any other authority having jurisdiction to

TARIFF

impose, as required by law.

9.8 Waiver

9.8.1 No failure or delay by the Company in enforcing any right, complying with any provision of the Tariff or exercising any remedy will be deemed as a waiver of a right or remedy.

TARIFF

9.9 Amendments

9.9.1 No amendment to this Tariff will be valid or effective unless the amendment is published in accordance with this Tariff.

9.9.2 Any change or modification to any provision or term of this Tariff must be in writing and signed by the Company.

9.10 No Creation of Relationship

9.10.1 This Tariff does not make any party a partner or agent of any other party and does not create any relationship whereby the acts of one party may bind the others or result in any liability to the other. Unless otherwise agreed, this Tariff forms the whole of the relationship between the Company and other parties and is limited to the provision of the services by the Company contained herein.

9.11 Invalidity of Particular Provision

9.11.1 If any provision or any part of a provision of this Tariff is or becomes unenforceable, invalid or illegal for any reason whatsoever, then the remainder of this Tariff will remain in effect as if this Tariff had been executed without the impugned provision or part of the provision.

9.12 Headings not Interpretative

9.12.1 Any headings contained in this Tariff are for convenience only and shall not be considered when interpreting this Tariff.

9.13 Security

9.13.1 Owners and their directors, officers, employees and agents will comply with any security procedures established by the Company and any security laws, statutes and regulations in force from time to time and which apply to the Company and the Terminal.
